

# GOVERNORS UPDATE

## NOVEMBER 2019

The first half of the autumn term seemed to fly by with the governors meeting that very first week back in early September. We mainly spoke about 'data' which might sound incredibly dull, but data is an extremely important tool in schools. Data measures our progress and results across many areas and we're proud to say that we're

★ continuing to make good progress! ★

## DO YOU KNOW SOMEONE WHO COULD VOLUNTEER TO BE A SCHOOL GOVERNOR?

We currently have a vacancy for a non-parent Governor who;

- cares about improving children's education
- wants to contribute to their local community
- is willing to challenge & ask questions
- would like to work as part of a team and is open to new ideas

If you would like to contact the Governors about the vacancy or any other matter, please see the school website for contact details. [www.springfield.derbyshire.sch.uk](http://www.springfield.derbyshire.sch.uk) Thank you!
