A message from Miss Julian

Well done to our sporting children – read on and you will see why we are so very proud of them..

Parking considerably

There has been numerous complaints from local residents regarding parking. Please can I ask that you are considerate to our neighbours and local residents. We have had complaints about parents/carers collecting children and being abusive towards them, parking over their drive, parking on the grass and churning it up. It is important that we keep the children safe, our local residents happy and are respectful to everyone.

NSPCC – Speak out stay safe

We held out NSPCC ‘Speak out, stay safe’ assembly yesterday and the children then followed this up in class with further discussions and some activities on the on the need to speak out and stay safe.

Well done to the children for their participation in this and understanding the importance how to keep safe.

Sporting news

Our two dodgeball teams performed amazingly in the finals, with a third-place finish overall, after 42 teams entered this is a wonderful performance, many of the children were from year 5 and so will have another chance next year. Well done!

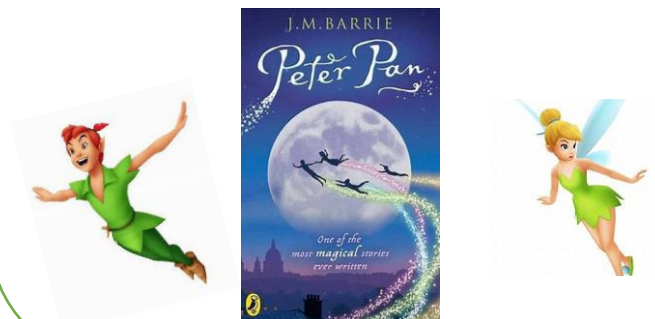

Goalball champions, what an amazing evening we had at Greenbank, 3 teams representing the school and some brilliant performances, 13 teams were taking part and our purple team won all their games in the group stage, then won the semi final with ease. The final against Fairmeadows was tense and exciting, going to extra time and sudden death, the result.... SPRINGFIELD WIN.

Thank you to Bella P, Bella G, Shelby, Leo, Archie, Mason, Jacob, Joshua and Braidon

WORLD BOOK DAY THURSDAY 2nd MARCH

This year we are focusing on the story PETER PAN by JM Barrie for our World Book Day at Springfield.

We hope to make the day a really exciting learning experience for the children. In preparation, it would be lovely if your child could watch the films and have an idea about the story. We will be doing activities in school in the lead up to the day too.

Safer Internet Day 2023

Safer Internet Day 2023 will take place on the **7th of February 2023**, with celebrations and learning based around the theme **'Want to talk about it? Making space for conversations about life online'**. Coordinated in the UK by the UK Safer Internet Centre, the celebration sees thousands of organisations get involved to promote the safe, responsible and positive use of digital technology for children and young people.

In the UK, we are celebrating by putting children and young people's voices at the heart of the day and encouraging them to shape the online safety support that they receive. That is why we are asking parents, carers, teachers, government, policymakers, and the wider online safety industry to take time to listen to children and young people and make positive change together.

This year we are hoping to answer the following questions:

- What issues really matter to children and young people?
- What changes do they want to see?
- How can we all work together to advocate for them moving forward?

With your help, Safer Internet Day 2023 can be a springboard for conversations that shape how we talk about and respond to online issues, not just for one day, but throughout the whole year.
