Message from Mrs Kay

As the summer continues remember to be sun safe when out and about, we talked about this in assembly this week (hydration, shade, hat, cream and glasses) as well as learning about the history of Father's Day and the different traditions around the world for this. If you are celebrating this event on Sunday have a lovely time but above all let's celebrate everyone that looks after us.

Sports Day 2023

Congratulations to the Foresters who won by just one point! It couldn't have been closer and I wanted to echo the sentiment in this lovely email received below- well done everyone.

I just wanted to email to say how much I enjoyed sports day today. It was great to see the children involved in so many events and cheering on all their friends. The whole event was so well organised and ran so smoothly. The children demonstrated fantastic behaviour and lots of team spirit.

Dance in the Forest

Thank you to our amazing staff who helped and practised with the children to be performance ready for 'Matilda and the revolting children'. One of the audience members has rung school to pass on their congratulations:

He wanted to let school know how impressed he was with the dancing last night. He really enjoyed the show and said that the teachers and children had obviously worked really hard in preparation for the performance.

"Well done to everyone who took part"
